Blueberry Cherry Pie

Ingredients:

Single crust
2 cups pitted cherries
2 cups blueberries
1 1/4 cups sugar
1/4 cup flour
1 tbsp ground cinnamon
1/2 tsp lemon juice
1 tbsp butter

Directions

Start by preheating your oven to 375°F. In a bowl mix together your sugar, flour, and cinnamon. Mix together well and in a separate bowl combine your cherries and blueberries. Gradually add your dry mixture into your fruit mixture as you toss it. Mix in your lemon juice. Grab your pie crust and empty your filling into it. Either make a lattice crust or a simple vented top crust. Moisten the edges and pinch the crusts together. Brush the top with milk and sprinkle with sugar. Bake for an hour, turning it 180 degrees halfway through. Allow to cool and serve it up.
