Blueberry Lime Pie

Ingredients:

Double Crust

1 lb frozen blueberries

1/3 cup frozen limeade thawed

3 tbsp sugar

3 tbsp quick cook tapioca

1 tsp lime zest

Directions

Preheat your oven to 400°F. Empty your blueberries into a bowl and add your limeade. Add your sugar, tapioca, and lime zest and mix together well. Empty your filling into your pie crust, moisten the overhang, and add your top crust. Press the edges together and form a ridge. Vent to your liking, coat with milk, and sprinkle with sugar. Bake for an hour, reducing the temperature to 375°F and rotating 180 degrees, half way through. Allow to cool and serve.
